

Eric 3.3m x 7.4m Cabin with 28mm or 44mm walls.

This Eric 5m x 5m Solid Timber Cabin has either 28mm or 44mm walls. It features double full glass doors at the front and has no windows. The cabin is 3.3m x 7.4m and it has a 4 x 3.3 verandah to the side. This cabin has a gable roof.

The Eric 5m x 5m cabin comes in 5 models. The model differences relate to the style of windows, the height of the building and whether or not Tongue & Groove (T&G) 19mm flooring is included. For additional information please see specifications table on flip side of this brochure.

Kits come complete in waterproof breathable film. All interlocking solid timber wall boards, windows, doors and ceiling boards.

Detailed plans and a clear parts list as well as all nails, screw etc to complete the building structure are included.

Roof and Sub Floor systems are available to suit your site and preferences.

Please contact our distributors to discuss your project and onsite construction if required.
