

Linus 4m x 3m Cabin with 44mm walls

This Linus 4m x 3m Solid Timber Cabin has 44mm walls. It features double glass doors at the front and 2 windows providing an abundance of natural light. This cabin has a gable roof with a 1 metre front overhang.

The Linus 4m x 3m cabin comes in 3 models. The model differences relate to the height of the building and whether or not Tongue & Groove (T&G) 19mm flooring is included. For additional information please see specifications table on flip side of this brochure.

Kits come complete in waterproof breathable film. All interlocking solid timber wall boards, windows, doors and ceiling boards.

Detailed plans and a clear parts list as well as all nails, screw etc to complete the building structure are included.

Roof and Sub Floor systems are available to suit your site and preferences.

Please contact our distributors to discuss your project and onsite construction if required.
