Pavilion 10m² with 45mm walls

This stylish 10 sq m even walled Pavilion is designed for 8-15 people.

It has 7 double Glazed windows (3 of which open) and French style double glazed door (1290 x 1810 mm) with a wooden handle and lock.

The walls are 45mm and if included the floor is 28mm tongue and groove. The windows measure 1290mm x 1420 mm. The overall height is 3389mm and the sidewall height is 2050mm.

The roof is covered in bitumen shingles in a choice of colours. Roof thickness and finishing is 18mm.

N.B. BBQ is not designed for this model and benches are not included.
